Year 5 - Autumn term 2

What are we learning...

ENGLISH

In English, the children will be writing a story with a historical setting. They will also be writing a setting description around space. They will also be learning a seasonal poem.

MATHS

In maths, the children will be working on multiplication and division as well as fractions.

SCIENCE

In science, the children will be learning all about space and the solar system as well as taking part in an exciting Planetarium Workshop.

GEOGRAPHY

In Geography, the children will be learning about key features of the UK as well as finding out about how our local area has changed.

MUSIC

In Music, the children will be looking at composition with Latin American rhythm grids. They will also be working on their singing skills as Christmas approaches.

YOUR PARAGRAPH TEXT

DT

In DT, the children will be designing and creating a moon buggy as part of our topic.

COMPUTING

This term, the children will be learning all about video production and creating their own videos.

RE

In RE, the children will be exploring the main beliefs of Islam and exploring how families worship at home.

MFL

In French, the children will be looking at pets in French and being able to talk about their pets.

PSHE

The children will be Celebrating Difference and exploring conflict and racism.

PE

Dance
Tennis

MESSAGES

- Our PE days are: **Monday** and **Thursday.** Children will need to come in their PE kit on those days.
- Each day, children will need to bring their water bottles (containing water not juice), their reading book and reading record/diary .
- Reading diaries will be checked on **Mondays.**
- Children are allowed to wear stud-earrings but these must either be removed, or covered with tape, during PE lessons (this is following Health & Safety guidelines).
- All other jewellery is not permitted.
- Please be aware that make-up and nail polish are not permitted at school
