Year 6 - Autumn term 2

What are we learning...

ENGLISH

In English, the children will be writing a non-chronological report about a Polar bear after an inspiring trip to Yorkshire Wildlife Park. They will also create an online Trip Advisor style review for the visit.

MATHS

In Maths, the children will be working on revising and developing their mathematical skills around fractions.

SCIENCE

In Science, the children will be learning all about electricity and undertaking an experiment involving circuits.

HISTORY/GEOGRAPHY

In Geography, the children will be learning about the six major biomes of the world and what we can do to protect them.

MUSIC

In Music, the children will be looking at composition with beat box and hip-hop rhythm grids. They will also be working on singing skills as Remembrance Day and Christmas approaches.

ART/DT

In DT, the children will be designing and creating a christmas pattern using cross-stitch needlework skills.

COMPUTING

In computing, the children will be learning all about webpage creation and how animations are created and function.

RE

In RE, the children will be exploring the main beliefs of Islam and exploring how families worship at home.

MFL

In French, the children will be developing their reading, writing and speaking skills about the weather.

PSHE

The children will be celebrating differences and learning about dealing with conflict.

PE

- Dance
- Gymnastics

MESSAGES

- Our PE days are **Mondays** and **Thursdays**. Children will need to come in their PE kit on those days.
- Each day, children will need to bring:
- Their water bottle (containing water, not juice)
- Their reading book and reading record/diary
- Children are allowed to wear stud earrings, but these must either be removed or covered with tape during PE lessons, in line with Health & Safety guidelines. All other jewellery is not permitted.
- Please note that make-up and nail polish are not allowed at school.
